

Calling All Softball Players!

Softball season is right around the corner, but I am not sure if we have enough girls to field a team. I need to know which girls are committed to playing softball. Please fill out the survey below if you are interested in being a member of the team so I can determine if we have a full squad. *Please return this form to Melanie Keiser no later than **Wednesday, March 14th**.

Thank You,
Bethany Barton

- I am interested in playing softball this season.
