A discussion followed where it was suggested that as part of the Articles of Agreement the option to vote to disband after 4 years be made available. Kim Friedman will make an update of the RED meetings a standing agenda item each month.

B. Principal's Report

- NewBrook Elementary School's new principal, Chris Pratt, discussed his report with Board members and some additional items:

IV. YEAR-END ACTUALS REVIEWED; BOARD CONSIDERED THE FOLLOWING:

- A. Spreading federal jobs money over FY12 and Fy13 for Balanced Literacy Program and professional development: A lengthy discussion followed which included board members’ concerns regarding exactly what the federal jobs money would be used for at the *NewBrook Elementary School*. Kim Friedman moved that the Board allocate up to \$23,911 of federal jobs money to Windham Central Supervisory Union’s balanced literacy program, related professional development, or other relevant uses as permitted by the grant guidelines. These funds will be spread out over fiscal year 2012 and fiscal year 2013 as recommended by the Superintendent and Principal. Lee Anne Parker seconded. Kim Friedman called for a vote. All were in favor. Motion passed.
- B. Adding additional funds for early education to cover 20 students: Board members discussed the budget at length in an attempt to determine if funds were available to cover the additional costs for early education for the children in the Brookline and Newfane School districts this upcoming school year. Brandy Pickering moved that the Board direct the administration to explore the possibility of increasing funds for early education in fiscal year 2012 and report back to the Board at its September meeting. Somara Zwick seconded. Kim Friedman called for a vote. Ken McFadden opposed. All others were in favor. Motion passed.
